

ENDORSEMENT DP-0208 (ED. 05-24)

Dwelling Fire - Water Damage Limitation (Tenant-Occupied)

Form Number: DP-0208

Edition Date: 05-24

Policy Line: dwelling_fire

Effective Date: May 1, 2024

Supersedes: DP-0208 ed. 10-21

ATTACHING TO AND FORMING PART OF THE POLICY SHOWN IN THE DECLARATIONS. ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

1. PURPOSE AND SCOPE

This endorsement amends the water damage provisions of the dwelling fire policy wording issued in respect of tenant-occupied dwellings. It does not apply to any homeowners policy line, and the exclusion codes in the E-70 series used here are specific to the dwelling fire line. Where a dwelling is owner-occupied, Form HO-0304 applies instead.

2. COVERAGE GRANT - SUDDEN AND ACCIDENTAL DISCHARGE

2.1 We cover direct physical loss to covered property caused by the sudden and accidental discharge, leakage or overflow of water or steam from a plumbing, heating or air conditioning system located within the described dwelling, subject to the exclusions in Clause 3. A supply line which ruptures abruptly is a sudden and accidental discharge for the purposes of this clause.

2.2 Coverage under this endorsement is conditional on the dwelling being occupied by a tenant under a written tenancy agreement at the date of loss. A dwelling between tenancies is treated as vacant from the sixty-first day after the previous tenancy ended.

3. EXCLUSIONS APPLICABLE TO WATER DAMAGE

3.1 We do not cover loss described in the exclusion table below. Codes in the E-70 series apply only to the dwelling fire policy line.

EXCLUSION TABLE 3.1 - WATER DAMAGE EXCLUSIONS, DWELLING FIRE LINE

CODE	EXCLUSION AND DISPOSITION
------	---------------------------

E-70	Flood, surface water or overflow of a body of water. Disposition: Excluded absolutely.
E-71	Constant or repeated seepage or leakage of water over fourteen (14) days or more. Disposition: Excluded absolutely.
E-72	Water damage from a plumbing system in a dwelling vacant more than 60 consecutive days. Disposition: Excluded absolutely.
E-73	Water damage caused deliberately or recklessly by a tenant or their guest. Disposition: Excluded absolutely.
E-74	Loss caused by freezing where the dwelling was not heated during the tenancy. Disposition: Excluded absolutely.
E-75	Cost of repairing the system or appliance from which the water escaped. Disposition: Excluded absolutely.
E-76	Mould, fungus or wet rot however caused. Disposition: Excluded absolutely, no sublimit applies.
E-77	Water damage occurring during a period in which rent was more than 60 days in arrears. Disposition: Excluded absolutely.
E-78	Sewer or drain back-up of any kind. Disposition: Excluded absolutely, no buy-back available.

E-79 Loss of rental income beyond twelve months following a water damage loss.
Disposition: Excluded absolutely.

Note: The dwelling fire line carries no mould sublimit. E-76 excludes mould outright, which is the principal difference between this form and Form HO-0304 on the homeowners line.

4. CONDITIONS

4.1 The insured must inspect the dwelling not less than once in every ninety (90) day period during which it is unoccupied, and must keep a record of those inspections.

4.2 The insured must give notice of a water damage loss within thirty (30) days of discovery.

5. LIMIT AND DEDUCTIBLE

5.1 A deductible of five thousand dollars (\$5,000) applies to each water damage loss under this endorsement, reflecting the elevated exposure of tenant-occupied property.
