

## ENDORSEMENT HO-0412 (ED. 06-24)

### Windstorm and Hail - Exterior Surfaces Limitation

Form Number: HO-0412

Edition Date: 06-24

Policy Line: homeowners

Effective Date: June 15, 2024

Supersedes: HO-0412 ed. 02-22

ATTACHING TO AND FORMING PART OF THE POLICY SHOWN IN THE DECLARATIONS. ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

#### 1. PURPOSE AND SCOPE

This endorsement limits the coverage otherwise provided for windstorm and hail damage to exterior surfaces of the dwelling and other structures. It does not restrict coverage for resulting interior water damage where the exterior surface has been physically breached by wind or hail.

#### 2. COVERAGE BASIS FOR ROOF SURFACING

2.1 Loss to roof surfacing caused by windstorm or hail is settled on a replacement cost basis where the roof surfacing is fifteen (15) years old or less at the date of loss, measured from the date of original installation as shown in the inspection record.

2.2 Where the roof surfacing is more than fifteen (15) years old at the date of loss, loss is settled on an actual cash value basis. Actual cash value is replacement cost less depreciation calculated on the schedule maintained by us and available to the insured on request.

2.3 Where the insured cannot establish the installation date of the roof surfacing, the roof is presumed to be more than fifteen years old and Clause 2.2 applies. This presumption may be rebutted by documentary evidence of installation.

#### 3. EXCLUSIONS APPLICABLE TO WINDSTORM AND HAIL

3.1 We do not cover loss described in the exclusion table below. Codes in the E-30 series are specific to windstorm and hail and do not apply to perils addressed by other endorsements.

##### EXCLUSION TABLE 3.1 - WINDSTORM AND HAIL EXCLUSIONS

| CODE | EXCLUSION AND DISPOSITION |
|------|---------------------------|
|------|---------------------------|

|      |                                                                                                              |
|------|--------------------------------------------------------------------------------------------------------------|
| E-30 | Loss to awnings, canopies or shade structures not permanently attached.<br>Disposition: Excluded absolutely. |
|------|--------------------------------------------------------------------------------------------------------------|

|      |                                                                                                  |
|------|--------------------------------------------------------------------------------------------------|
| E-31 | Loss to outdoor antennas, satellite dishes and their masts.<br>Disposition: Excluded absolutely. |
|------|--------------------------------------------------------------------------------------------------|

|      |                                                                                                               |
|------|---------------------------------------------------------------------------------------------------------------|
| E-32 | Wind-driven rain entering through an opening not caused by wind or hail.<br>Disposition: Excluded absolutely. |
|------|---------------------------------------------------------------------------------------------------------------|

|      |                                                                                              |
|------|----------------------------------------------------------------------------------------------|
| E-33 | Loss to screening, screen enclosures and pool cages.<br>Disposition: Excluded above \$2,500. |
|------|----------------------------------------------------------------------------------------------|

|      |                                                                                                                                          |
|------|------------------------------------------------------------------------------------------------------------------------------------------|
| E-34 | Cosmetic damage to roof surfacing that does not compromise the water-shedding function of the roof.<br>Disposition: Excluded absolutely. |
|------|------------------------------------------------------------------------------------------------------------------------------------------|

|      |                                                                                                        |
|------|--------------------------------------------------------------------------------------------------------|
| E-35 | Loss to solar collectors or their mountings caused by hail.<br>Disposition: Excluded unless scheduled. |
|------|--------------------------------------------------------------------------------------------------------|

|      |                                                                                                        |
|------|--------------------------------------------------------------------------------------------------------|
| E-36 | Marring, scuffing or granule loss not accompanied by penetration.<br>Disposition: Excluded absolutely. |
|------|--------------------------------------------------------------------------------------------------------|

E-37 Loss to fences, gates and retaining walls caused by windstorm.

Disposition: Excluded above \$5,000.

E-38 Repeated hail impact over multiple storm events where no single event caused breach.

Disposition: Excluded absolutely.

E-39 Consequential loss of use where the dwelling remains habitable.

Disposition: Excluded absolutely.

*Note: Cosmetic damage under E-34 means damage that alters the appearance of roof surfacing without reducing its ability to shed water. Where hail both dents and penetrates the surfacing, E-34 does not apply and the loss is settled under Clause 2.*

#### **4. CONDITIONS**

4.1 The insured must report windstorm or hail damage within one year of the date of the storm event. A claim reported after that period is not payable under this endorsement.

4.2 We may require a roof inspection by an inspector of our choosing before settling a claim under this endorsement. The insured must provide reasonable access for that inspection.

#### **5. DEDUCTIBLE**

5.1 A windstorm and hail deductible of two percent (2%) of the Coverage A limit shown in the declarations applies to each windstorm or hail loss. This deductible replaces the all-perils deductible for losses under this endorsement and is subject to a minimum of one thousand dollars (\$1,000).

END OF FORM HO-0412 ED. 06-24.
